## **The Newest and Most “Effective” Coaching & Consulting *GROWTH* Strategy On the Planet?**

Friend,

In the entrepreneurial world right now there are a lot of people that Talk about making “6-figures a year” or “6-figures a month”...

But there are only a *few* that take the actions required to actually **achieve** those goals.

We believe that only the **fittest** should survive - and we're only really interested in working with people who *want* to be the best.

Our methods are a collection of the newest and most effective TOOLS for you to use with certainty and mastery to take over as the dominant force in your market and **GROW** your business.

This program was born after I (*Tom*) spent \$30,000 of my own money investing in coaches and programs only to realise that there are a LOT of pieces of this puzzle that we call “Business Growth” - that are kept a secret.

I realised that so many others like me weren't getting the information, the support and strategies they needed to actually unlock the growth inside their businesses.

Now, there aren't many decisions you have to make that are more important than this one: *WHO* will you trust to steward your expertise and grow your empire? And, just to be clear, I'm not saying that we are the only option.

There are a lot of **amazing** programs out there...

...And there's a lot of not so amazing ones out there as well.

In my experience what I've found to be true is that there's a LARGE difference between being given KNOWLEDGE; VS having someone 1:1 working in the trenches and taking action with you unfailingly committed to transferring to you the certainty of succeeding (as long as you do your part).

**If you've ever been through a course or a group program** there are only 3 possible reasons that you didn't get results.

Either:

1. You didn't do the work
2. **The pathway was broken** (*Most likely outdated*)
3. **You didn't get the support you needed when you needed it the most**

It always comes back to one of these three things.

So what DO you need to be successful?

1. An unflinching commitment to do the work
2. To get access to the process that **works TODAY** (*not what used to work in 2016 - 2017*)
3. To get 1:1 support: What I call **"Unlimited Coaching"**

# Introducing: **The Atomic Growth Workshop**

*“The Atomic Growth Workshop is the best business and personal growth program in the world”*

**Here’s what we are going to cover:**

## **Pillar 1: Dream Buyer & Offer Match**

- Create and **package an offer that the market is dying for** right now that will sell with EASE
- Laser in on exactly who your dream buyer is so that when you talk, *they listen*
- Craft your messaging to speak directly to your **ideal** clients... How you hone in your packaging, positioning and messaging to reach out and secure the trust of the people you want to work with the most.

It’s because of this pillar that clients have been able to increase their prices 400%+ and generate \$20,000, even in some cases \$40,000 in revenue per month **WITHOUT** paid ads.

## **Pillar 2: Our Famous “Hybrid Lead” Funnel**

- Get access to the number one client acquisition training in the world right now. AND get it customised (1:1 coaching) to your exact niche and offer so you know with certainty **it will bring in 10+ strategy sessions and 2-5 clients every week.** *WITHOUT - Paid ads*

- Find *missed* opportunities in your current client acquisition process to **double or triple your current monthly revenue**
- Get your hands on the exact **Process** that our clients follow allowing them in some cases to generate **over 6 figures** (organically) throughout their time in the program.

Note: If you need paid ad training we can assist you with this as well, although it is not typically necessary for our normal Atomic Growth Workshop clientele.

### **Pillar 3: The New Way Of Selling**

- Simplify your sales process and **close 30-50% of your calendar** with “The New Way Of Selling” (Your prospects will close themselves because we’ll teach you to be a leader — not a *salesperson*)
- Rebuild your sales pitch into a *client-getting machine* that your prospects can’t refuse by following our “**Perfect Pitch Matrix**”.

Whether you’re a seasoned sales pro or learning sales for the first time, what we’re going to share with you is the A-Z sales and enrollment process used by the best in the world right now to close at 70%+.

### **Pillar 4: Mindset, Team and Scaling**

- *Burnout, imposter syndrome, anxiety, stress* - ever felt any of these things? The goal is really making sure your mindset is WEAPONIZED to serve you, rather than you being a victim of your mindset.

- We put the right *systems* and *people* in place so you can **start working ON** your business, *not IN your business*.
- Once you get to this point, you're really going to be able to get **back your time** and have the **consistent cash flow** to reinvest in things like *advertising, building your brand and scaling up*.

## **On Top Of This: We Hold You To A Higher Standard**

Just 7-months after I enrolled my first client I crossed the 6-figure PER MONTH mark in my business. People always ask me HOW.. and the truth is that I invested into mentors from day 1, and I paid handsomely to learn from the best...

But that wasn't all... I also made sure I stayed in an environment that was truly world class. So on top of the *tactics, strategies and information* inside the Atomic Growth Workshop being the best in the world right now...

I think the reason our client success rate is so high is that we hold you to a higher standard and *place you into a “**success environment**”* that empowers and nurtures your growth.

## **What about timelines?**

Typical timelines vary from 8 weeks to 10 weeks, mostly averaging around 8 weeks for the program. Which might not seem like a long time because it isn't.

We move quickly because there is no reason for you to remain stuck longer than you have to... most of the time, we expect new clients to be generating new opportunity within the first 14 days and generating substantial revenue by week 6.

We are 100% committed & SOLD OUT to you and your success.. client results course through our veins. So IF you choose to take advantage of this opportunity, you'll remember this moment as the moment everything changed for you...

Let know if you're IN!

(Or if you have any specific questions and wanna chat).
